

Rights of Persons In Mental Health Facilities and Programs

The following rights are guaranteed to you under Florida law. These will be fully explained to you at the time of and following admission to this facility. A copy of this form will be given to you to keep. You have the right to read the Baker Act law and rules at any time. Your signature on the form, if you choose to sign, only acknowledges that you have had the rights explained and that a copy of this form was provided to you.

Individual Dignity

You have the right to individual dignity and access to all constitutional rights. The federal Americans with Disabilities Act (ADA) applies to persons in this facility.

Right to Request Discharge by Persons on Voluntary Status

If you request discharge, your doctor will be notified and you will be discharged within 24 hours from a designated community facility and within 3 working days from a state hospital, unless you withdraw your request or you meet the criteria for involuntary placement. If you meet the criteria for involuntary inpatient placement or involuntary outpatient placement, the hospital administrator must file a petition with the Court for your continued stay within two (2) working days of your request for discharge.

Designation of Representative

You will be asked to identify a person to be notified in case of an emergency. Further, if you are at this facility for involuntary examination and do not have a guardian appointed by the court, you will be asked to designate a person of your choice to receive notification of your presence in this facility, unless you request that no notification be made. If you do not or cannot designate a representative, a representative will be selected for you by the facility from a prioritized list of persons. You have the right to be consulted about the person selected by the facility and you can request that such a representative be replaced.

Communication

You have the right to communicate openly and privately by phone, mail, or visitation with persons of your choice during your stay at this facility. You have the right to make free local calls and will be given access to a long distance service for collect calls. If communication is restricted, you will be given a written notice including the reasons for the restrictions. This facility is required to develop reasonable rules governing visitors, visiting hours, and the use of telephones but you cannot be limited in your access to your attorney, to a phone for the purpose of reporting abuse, in contacting the Florida Local Advocacy Council or the Advocacy Center for Persons with Disabilities. Several toll-free telephone numbers you may wish to keep are:

Florida Abuse Registry	1 800 96-ABUSE or (800) 342-9152
Florida Local Advocacy Council	1 800 342-0825
Advocacy Center for Persons with Disabilities	1 800 342-0823

Confidentiality of Information and Records

Information about your stay in this facility is confidential and may not be released, except under special circumstances, without your consent (or the consent of your guardian or guardian advocate or health care surrogate/proxy if you have one). Special circumstances include release of information to your attorney, in response to a court order, to an aftercare treatment provider, or after a threat of harm to another person. You have the right of reasonable access to your clinical record unless such access is determined to be harmful to you by your physician.

Treatment

You have the right to receive the least restrictive, available, appropriate treatment in this facility. You will get a physical examination within 24 hours of arrival and you will be asked to help develop a treatment plan to meet your individual needs. The criteria, procedures, and required staff training used by this facility for restraints, seclusion, isolation, emergency treatment orders, close levels of supervision, or physical management are available for your review. Such interventions may never be used for punishment, convenience of staff, or to compensate for inadequate staffing.

Advance Directives

You have the right to prepare an advance directive when competent to do so that specifies the mental health care you want or don't want and to designate a health care surrogate to make those decisions for you at the time of crisis. The facility is required to make reasonable efforts to honor those choices or transfer you to another facility that will honor your choices. The facility must document whether you have an advance directive and inform you of its policies about advance directives. There are organizations that can help you prepare an advance directive.

There are additional disclosures that must be made for medications you receive. If the treatment for which you have given consent is changed at any time during your stay in this facility, it will be fully explained by the staff prior to asking for your written consent to the revised treatment.

Clothing and Personal Effects

You have the right to keep your clothing and personal effects unless they are removed for safety or medical reasons. If they are taken from you, an inventory of the possessions will be prepared and given to you to sign. The possessions will be immediately returned to you or your representative upon your discharge or transfer from this facility.
